

WHY STUDYING IN SWITZERLAND ?

Thanks to its unique combination of academic excellence, cultural richness and high quality of life, Switzerland offers a compelling alternative to studying in the UK or the US :

1. World-Class and affordable education : Swiss universities like ETH Zurich or EPF Lausanne consistently rank among the best in the world and are surprisingly affordable compared to US or UK colleges (less than CHF 2'000.- / year).
2. Multilingual environment : Switzerland has four main languages—German, French, and English, making it ideal for language learning and multicultural experience.
3. Safety and Quality of Life : Switzerland is one of the safest countries in the world. The country's excellent public transport, outstanding healthcare, and clean environment contribute to a high standard of living.

WHY PREPARING FOR THE SWISS MATURA DIPLOMA ?

The Swiss Matura diploma is a demanding, highly respected academic qualification that is often seen as a gateway to prestigious universities globally :

1. Broad and balanced curriculum : The Matura encompasses a wide range of subjects, including languages (French, German or Italian—and English), sciences, mathematics, humanities, and arts.
2. No entrance exams: Graduates of the Matura diploma can directly enroll in Swiss universities like EPF Lausanne or ETH Zurich without the need for additional entrance exams.
3. Recognized internationally: The Swiss Matura's reputation for rigor makes it attractive to top-tier institutions in the US (Ivy league universities) and the UK (Oxford/Cambridge).

WHY STUDYING AT CHANTEMERLE SCHOOL ?

1. A family-operated boarding school with 60 years of experience in education.
2. An international community of 65 Swiss and international students ages 6 to 18.
3. A school that specializes in preparing Swiss and non-Swiss students for the Matura diploma
4. A unique educational model centered around a healthy and balanced lifestyle, core values and the culture of effort.
5. A beautiful location in nature, overlooking Lake Geneva and the Alps.
6. Competitive fees starting at CHF 55'500.- (tuition & boarding)
