

Innovation & Leadership

Engineers for a better world

Become a Drone Expert

2-week residential Summer programme
From July 20th to August 3rd 2025
for boys and girls ages 12 to 16

All inclusive fees : CHF 4'400.- (2-week stay, courses and material, full board, all activities, 2-day trip to Europa-park (Germany), airport transfers.

As a society, we face major challenges today, from climate change to health and poverty. It is clear that it is the young people of today, working together, who will shape the world of tomorrow.

In a spirit of innovation and entrepreneurship, participants in this programme learn to build and fly DRONES before designing and developing humanitarian, environmental or social solutions.

From idea to project, a programme to make our world a better place.

Founded in 1966 by the Wegmüller family, Chantemerle is a private international boarding school for girls & boys ages 6 to 16.

Overlooking Lake Geneva and the Swiss Alps, Chantemerle has earned an international reputation for its academic excellence and personalized family spirit.

A memorable summer experience in a healthy learning environment.

A camp to learn, discover and have fun..

- 40 h of active / practical class
- Full board, 24/7 supervision
- Personalized family spirit
- Sports, adventures & fun
- 2-day trip to Europa-Park
