WHY CHANTEMERLE ?

Founded and operated by the Wegmüller family since 1966, Chantemerle is an international boarding school located in Switzerland. Our school welcomes students for academic school year and summer programmes. Over the years, we have developed a unique educational model centered around a healthy and balanced lifestyle, core values and the culture of effort.

PROFESSIONNAL SPORT ACADEMIES

Chantemerle partners with professional academies located near the school. Participants usually combine 1 week of professional sport academy with 1 / several weeks of Chantemerle's general programme so they can enjoy a full learning and activity experience. Participants are full boarders at Chantemerle and transported by private shuttle bus to and from the academy.
