

# A SCHOOL IN THE SPIRIT OF SWITZERLAND

Authentic - Personalized - Efficient

Private school in Switzerland since 1966  
Boarding and day school, boys & girls ages 6 to 18

# Why Switzerland ?

Switzerland stands out as an attractive alternative to studying in the UK or the USA:

- High living standards and safety. One of the best healthcare systems in the world
- Beautiful natural environment promoting a healthy and active lifestyle
- A multilingual, international, and culturally rich environment
- A prestigious diploma (The Swiss Federal Matura) that grants automatic admission to world-renowned Swiss universities

PERSONALIZED FAMILY ENVIRONMENT

RESPECT AND FRIENDSHIP

SIMPLICITY AND NATURE

# Chantemerle : A school in the spirit of Switzerland

## Authentic - Personalized - Efficient

- **Authentic** : Guided by the vision of our founders, Mathilde and Jean Wegmüller, Chantemerle proposes a unique educational model centered around family values, a healthy lifestyle and the culture of effort
- **Personalized** : With a selective community of 65 students, 60% of whom are Swiss, Chantemerle provides personalized academic and pastoral care.
- **Efficient** : With a recurring high success rate in Swiss federal exams and a carefully considered pricing policy, Chantemerle offers a high-quality private education, accessible to a wide range of families.

An exceptional Swiss boarding school at a fair price – because we invest in education, with heart and common sense.

# An effective and structured learning environment

At Chantemerle, we promote an effective and structured learning environment to help our students become autonomous and efficient learners :

- Small class sizes
- A positive and personalized learning environment
- Simple, structured classroom routines
- Daily supervised assignments
- Weekly formative assessments

Year after year, our consistently high success rates in federal exams reflect and validate the effectiveness of our approach.

# Gateway to university In Switzerland or abroad

Special preparation courses :  
EPFL/ETH, Medical school, Business schools

Chantemerle proposes two academic pathways:

**1. Swiss pathway in French** (Swiss Matura diploma). The Matura grants automatic access to all Swiss universities and is highly recognized internationally

The Matura is **also open to international students**. With the Matura, international students are granted the same rights and status as Swiss students. Our French integration programme supports students in achieving a B1 level in French

**ETH** zürich

**EHL** HOSPITALITY  
BUSINESS SCHOOL

**Unil**  
UNIL | Université de Lausanne  
Faculté de biologie  
et de médecine

**2. Cambridge International pathway in English.** A sound alternative to the IB diploma that prepares for the Cambridge IGCSE and A Level qualifications

# Study abroad & Language immersion programme

Throughout the year, Chantemerle welcomes international students from all over the world for short or long term immersive experience.

Studying abroad is one of the most enriching experiences for any teenager; it comes with great opportunities:

- Gain confidence in French, English or German
- Validate a programme abroad and return home without having to repeat a year
- Be exposed to different perspectives and cultures
- Develop self confidence and autonomy
- Enhance your future college applications

The programme also proposes a rich programme of excursions, sports, arts and nature activities designed to foster personal development.

# Sport & Study programmes with professional league clubs

Athlete-students can join **professional league clubs or academies**:

- Football, Basketball, Ice Hockey
- Tennis, Golf, Ski and Horse Riding
- Modern dance and ballet

Chantemerle provides the **structured and flexible education** needed to fit alongside their busy training and competition schedule

## Key programme features:

Official academic  
programs in  
French or English

Top-tier sports  
training facilities  
and coaching teams

Efficient logistics,  
support and  
coordination

Personalized nutritional,  
mental and physical coaching

Possibility to compete  
under a Swiss licence

We have the experience and the right network to prepare sport and art students to apply to US and EU universities.

# The “School of Life” programme

## Simplicity at the heart of our educational approach

Chantemerle’s School of Life programme helps students step back from the digital rush, embrace simplicity, and reconnect with the essentials

Integrated into our curriculum, the School of Life aims to develop autonomy, focus, and perseverance through:

- **Simple daily rituals and healthy habits** to help students manage their time and take care of themselves
- **Regular physical activity** to strengthen concentration, self-confidence, and resilience
- **Artistic activities** to foster imagination and creativity
- **Practical life skills:** making their bed, cooking, repairing, recycling, and gardening
- **Outdoor activities** to reconnect with nature and adopt a sustainable lifestyle
- **International projects** and educational trips to gain a deeper understanding of the world

# Educational holiday programmes
