

A SCHOOL IN THE SPIRIT OF SWITZERLAND

Traditional - Personalized - Efficient

Private school in Switzerland since 1966
Boarding and day school, boys & girls ages 6 to 18

Why Switzerland ?

As an alternative to studying in the UK or US, Switzerland is an appealing choice for many students and their families:

- High living standards and safety. One of the best healthcare systems in the world
- Admission to the prestigious Swiss Federal Matura Diploma
- Automatic access to all public Swiss universities and engineering schools (EPFL/ETHZ)
- Beautiful natural environment promoting a healthy and active lifestyle
- Exposure to international cultures and perspectives

PERSONALIZED ATTENTION

RESPECT AND FRIENDSHIP

SIMPLICITY AND NATURE

Chantemerle : A school in the spirit of Switzerland

Traditional - Personalized - Efficient

- Family-operated private school with 60 years of tradition in education
- Boarding school with a selective intake of up to 65 students (60% swiss) to ensure personalized attention
- A unique educational model centered around **core values, a healthy lifestyle and the culture of effort:**

CORE VALUES

- Respect
- Nature
- Simplicity

PRACTICAL SKILLS

- Household tasks
- Community tasks
- Repair & Recycle

- A well balanced set of after-class sports, arts and outdoor activities designed to foster personal development

"The School of Life" : A programme to grow with confidence and develop autonomy

At Chantemerle, we believe that students grow best in a simple and structured environment.

With the “School of Life” program, students develop self-confidence and autonomy through meaningful everyday experiences:

- Simple, practical life skills: making your own bed, cooking, repairing, recycling, and gardening
- Collective projects to build essential values: friendship, respect, perseverance
- Controlled screen time to improve focus, sleep, and social interaction
- Outdoor activities to reconnect with nature and adopt a sustainable lifestyle

Integrated into the academic curriculum, the School of Life is evaluated and recognized as a subject in its own right.

An effective and structured teaching approach

At Chantemerle, through solid and rigorous teaching methods, we help our students become independent, efficient, and confident learners :

- **Small class sizes** allow for personalized instruction tailored to each student's needs.
- **Step-by-Step approach** enabling students to understand and learn at their own pace.
- **Simple classroom routines** ensure students remain active and engaged in their learning.
- **Daily supervised assignments** to help students develop autonomy and accountability.
- **Weekly and monthly assessments** to track progress and identify areas for improvement

Year after year, our consistently high success rates in federal exams reflect and validate the effectiveness of our approach.

Special preparation courses :
EPFL/ETH, Medical school, Business schools

Chantemerle offers two academic pathways:

Swiss Pathway (in French):

This pathway prepares students for the Swiss Federal Matura diploma.

The programme is also open to international students who are proficient in French or have completed Chantemerle's French integration programme (B1 level). With the Matura diploma, international students receive Swiss student status, giving them access to public universities at very low tuition fees. The diploma is also widely recognized by universities worldwide.

Cambridge International Pathway (in English):

As an alternative to the IB Diploma, the programme prepares students for the Cambridge IGCSE and A Level qualifications.

Study abroad & Language immersion

Throughout the year, Chantemerle welcomes international students for short or long term immersive experience

Studying abroad is one of the most enriching experiences for any teenager, and it comes with great opportunities:

- Gain confidence in French, English or German
- Validate a programme abroad and return home without having to repeat a year
- Be exposed to different perspectives and cultures
- Develop self confidence and autonomy
- Enhance your future college applications

The programme also proposes a well balanced set of excursions, after-class sports, arts and nature activities designed to foster personal development.

Sport & Study programmes with professional league clubs

Chantemerle proposes Sport & Study programmes in collaboration with professional swiss league clubs and academies:

- Football, Basketball, Ice Hockey
- Tennis, Golf, Ski and Horse Riding
- Modern dance and ballet

We provide our athlete-students the **structured and flexible education** needed to fit alongside their busy training and competition schedule. **Key programme features:**

Official academic programs in French or English

Top-tier sports training facilities and coaching teams

Efficient logistics, support and coordination

Personalized nutritional, mental and physical coaching

Possibility to compete under a Swiss licence

We have the experience and the right network to prepare sport and art students to apply to US and EU universities.
