60 years of experience in education

A family-operated international boarding school, Chantemerle is renowned for its academic excellence and personalized atmosphere.

Academic experience

Participants learn French / English intensively and also join regular classes in maths or sciences. Teachers provide personalized support to ensure each student feels comfortable.

Ski, Winter adventure & fun activities

A rich combination of Winter sports, workshops and outdoor activities. Excursions and field trips to discover Switzerland.

Boarding life

Students share dorms, meals, and free time. Under the guidance of caring educators, in a safe, family-like environment students gain confidence, independence, and a sense of belonging.
