Founded in 1966 by the Wegmüller family, Chantemerle is a private boarding school for students ages 8 to 16. Over the years, Chantemerle has acquired an international reputation for academic excellence and a personalized family environment.

The school is beautifully located overlooking Lake Geneva in the French-speaking part of Switzerland.

Throughout the school year, Chantemerle welcomes students from all over the world to study French and have fun while discovering Switzerland. Students are accommodated in our boarding school under 24/7 supervision by a team of professional educators.

Immersion students follow the school's regular schedules and calendar, e.g. morning classes from 0800 to 1200 combined with a mix of afterclass projects homework, fun activities and excursions.

- Short term programmes (1 to 6 weeks) are designed to develop French language skills.
- Long term students (up to 10 months) prepare for the French DELF exams and integrate main stream classes (maths, science, etc,..) in order to validate a full academic year abroad.

Afterclass activities at Chantemerle are an essential part of the learning experience and include sports, ski and winter sports, art and cultural excursions.
